Dear Shelley,

Fantastic! I would just like to say how pleased I am with the work done by Advantage Northampton Ltd.

I used to be entering data every moment I had. This involved me working every night and every weekend. Advantage Northampton Ltd have enabled me to enjoy running a family business whilst giving me more time to spend with my young family.

You are highly skilled and go above and beyond just data entry. If you think something may be incorrect you will highlight the relevant parts and will add anything that I may have omitted. I am very impressed with all the work Advantage Northampton Ltd have done for me.

We have been using Advantage Northampton Ltd since June 2009 and the impact that you have had on my work time, enabling me to focus on expanding the company, has been huge.

Keep up the good work.

Best Regards,

Cathrine Cook
